

Congress of the United States
House of Representatives
Washington, DC 20515-3705

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Regional Stormwater Improvements in fiscal year 2024. The entity to receive funding for this project is Stayton, Marion County, located at 362 N 3rd Avenue, Stayton, OR 97383. The funding would be used for supporting stormwater upgrades necessary to facilitate private investment and economic development on approximately 80 acres in West Stayton. The project is an appropriate use of taxpayer funds because Stayton is committed to removing barriers necessary to facilitate the creation of high skill, high wage jobs for the region.

The project has a Federal nexus because the funding provided is for purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Congresswoman Lori Chavez-DeRemer
